AMITY BOARD OF EDUCATION

Focus on providing advanced curriculum and technology, giving our students an opportunity to realize excellent educational outcomes.

- Leveled and honors coursework that challenges students.
- A partnership between parents, educators, and administrators.
- Equal opportunity for every student.
- Diversity of thought, background, and perspective—that is our strength.
- Ensuring that students of all abilities have full access to our educational system.
- Banning biological men from women's sports.
